Dedication

MARY LOUISE MADDREY, A.B., A.M.

MARY LOUISE MADDREY

BECAUSE, FOR TWENTY-FIVE YEARS, YOU HAVE BEEN A DEVOTED FRIEND TO EACH HOLLINS GIRL, BECAUSE YOU HAVE GIVEN TO HER A SENSE OF HER OWN INDIVIDUALITY AND BECAUSE YOU HAVE SHOWN US, THROUGH DAILY ASSOCIATION, A FULLER MEANING OF HOLLINS, WE, THE SENIOR CLASS OF 1952, DEDICATE OUR YEARBOOK TO YOU, MISS MADDREY, IN DEEPEST APPRECIATION

Foreword

Although we must now leave behind our joyful days at Hollins, we leave with the certainty that the experience and knowledge which we have gained here will better enable us to appreciate all that is fine in life and so, in turn, to contribute something to the future.

The Spinster

THE SPINSTER, the annual publication of Hollins College, is edited entirely by members of the student body. Through the annual the Staff attempts to preserve those parts of college life which the students want to remember in later years. As the annual is a book that every college student keeps, it contains ideally every phase of life at Hollins either through pictures, sketches, or emphasis.

In addition they formed the nucleus of a journalistic society known as Grapheon, in which membership will be regulated by the number of column inches printed in the newspaper.

Freya

Freya is an organization which exists, not as an end in itself, not simply for the recognition of achievement, however great, but for the perpetuation of the principles of creative living which constitute the beautiful and the abiding qualities of Hollins life. Freya seeks to do this by recognizing as members those students who have shown by their own way of life a real understanding of the permanent, on-going values of Hollins. These girls have in some way, out of their love for the college and devotion to its values, contributed to its life in the fields of scholarship, leadership and creativity.

The Young Women's Christian Association has the challenge of being the one religious organization on campus. Through projects at the Little Colored School and Mercy House, the "Y" endeavors to create in each student a spirit of service to others; through extension and testing of ideas in chapel services and in discussion, it endeavors to promote firm faith in God.

Group Leaders

Each year Executive Council chooses a group of girls to carry out an orientation program for new students. These girls maintain the standards of Hollins life not only for the new members of the student body, but for the old students as well. Prior to the opening of school, each group leader corresponds with five or six new students and welcomes them upon their arrival at Hollins. In a series of meetings, she interprets for them the regulations, traditions, and, above all, the spirit of Hollins. But her influence does not end with the orientation period, for throughout the year she is sought for guidance and interpretations. The group leaders gladly lead the new students in the interest of constant improvement in the Hollins way of life.

Lacrosse

This year Hollins was proud to introduce a new team sport, lacrosse. For many years there has been much enthusiasm for lacrosse throughout the northern colleges, and now it is becoming a favorite in the South as well.

Hollins girls are showing much interest in the new game. Although they did not have a complete schedule this year, two games were played, one at Sweetbriar and one at Hollins. The game at Hollins was an exhibition to introduce lacrosse to those who were not familiar with it. Next year the team hopes to have a full schedule of games both here at Hollins and at other colleges.
